Cabinetry Trends You Won't Want to Miss!

We have also been honored with the Best of Houzz Award for service and design. The service award is presented to professionals who rated at the highest level for client satisfaction by the Houzz community, while the design award is given to professionals with a portfolio voted most popular by the Houzz community.

## Best of Houzz Award

For the eighth year in a row we received a 2021 Guildmaster Highest Distinction Award from the GuildQuality for demonstrating exceptional customer service within the residential construction industry.

## Guildmaster Award

We are excited to share our recent awards with you.

## Expansive Kitchen Remodel

After remodeling their master bath a few years ago, these Souderton homeowners returned to Custom Craft to expand and refresh several more rooms in their home. They wanted to incorporate a large island with seating for everyday meals, food prep, and conversation with guests but the width of the existing footprint did not lend itself to this. To increase the width, we added a bump out addition to the back of the house. They also wanted to brighten the space and, from an aesthetic standpoint, make it compliment the rest of the first floor.

# The Custom Craft Difference

## Expansive Kitchen Remodel

In addition to widening the space, adding a mudroom, and reorganizing the laundry room, we also added a cozy banquette with storage to the breakfast area that was not utilized before the renovation. The breakfast area, with all of its natural light, is now a favorite spot for morning coffee, and afternoon homework. Storage is plentiful throughout the kitchen, thanks to the combination of extra-tall kitchen cabinets that reach all the way to the ceiling, open shelving, and a new beverage center between the kitchen and dining room. Just off the kitchen, we added a small mudroom with a generous bench and cubbies. Finally, the laundry room was upgraded and reorganized with sleek cabinetry, a pocket door, and new utility sink.

## Design Trends

Want to get the most out of your kitchen cabinets and drawers? There are a number of ways to organize your cabinetry for accessibility and function. Below are some ideas to upgrade and enhance your cabinets and drawers!

## Accessorize Your Cabinets and Drawers

### Drawers

- Charging station
- Bread boxes
- LeMans for blind corners
- Pull-outs for pantries and hard to reach spots
- Peg system for drawers to keep items in place

### Cabinets

- Glass uppers for display items
- Under cabinet lighting and plug molding to conceal outlets
